

## Our Vision:

To show the next generation the Truth of Salvation, the Wisdom of God, and the compassion of Jesus, so they commit themselves to a life-long walk with Christ.

## Our Mission:

Partnering with families to teach our children about God's Word, nurture their spiritual growth, and guide them to look to God to make wise choices. FBC Jefferson wants each child to discover that:

- God created the world. God moves the world. God moves in the world.
- God loves me and is with me everywhere I go.
- Jesus is my Savior and shows the entire world how much God loves us.
- My relationship with God, Jesus and the Bible can help me make wise choices.
- My family needs to talk about faith at home.

## Psalm 78:4

"We will not hide these truths from our children; we will tell the next generation about the glorious deeds of the Lord."

Dear Parents,

Did you know that your children are the next generation of the Christian church? Everything they see, hear and do today will impact their faith tomorrow. The Lord has a special plan for your child and he wants YOU to help your child understand that plan. FBC Jefferson wants to partner with you as you help lead your child to Christ and build a strong faith foundation for their future. We hope our ministries encourage and support your efforts to raise your children to be devoted, confident, and compassionate followers of Jesus.

In Hope for Our Future,  
Rev. Erica Cooper

# Sunday

Morning

## Sunday School

Children will meet in the Children's Suite at 9:45am. First, they will gather in the Kids' Café for a light breakfast and fellowship, then go to their respective classrooms for Bible Study. We use the Hands On Bible curriculum, which lets kids apply life issues to Biblical truths in creative and imaginative ways.

## Worship KidStyle!

This ministry is our children's church for 1st-3rd graders. During the 11:00am worship service, the children will go to the Children's Suite to continue worshipping God on their own level through music, prayer, Bible Study, games, crafts and storytelling.
